

All About Saltwater Bait!

Monday, January 8, 2018

Campers have already learned about freshwater bait but now it's time for saltwater! Even though campers will be freshwater fishing this day, they will explore advanced techniques to rig up their bait the next time they go saltwater fishing. They will even create their own saltwater jig specialized for catching a snook!

Daily Activities
Welcome & Introduction
Casting, Regulations, & De-hooking
Using a Sabiki & Rigging Mullet/Ballyhoo/Baitfish Demos
Fishing Safety/Baiting (Snack)
