

# Drift Boat Fishing Trip!

Friday - December 29, 2017

Get your children out on the water with the IGFA and the Reward Fishing Fleet! Campers will first meet at the IGFA Headquarters and then take a charter bus down to Miami to go out on a drift boat to fish for snappers, groupers, grunts, and other saltwater fish! What a better way to spend the day off of school than out on the ocean?!?!
